TIPS FOR SAFE DRIVING AROUND PEOPLE ON BIKES

• Give bicycles at least 3 feet of safe distance when passing or following.

• Bicycles are vehicles and allowed on all roadways.

• When making turns, watch for and yield to people on bikes.

• Do not park in or block the bike lane.

• Check mirrors before opening doors, especially if parked next to a bike lane.

• Be alert, cautious, and attentive when driving. Do not drive distracted.
