

Join us as a Sponsor for the 2021 Georgia Bike-Walk Summit

The 2021 Georgia Bike-Walk Summit will be held virtually across the State of Georgia.

With speakers representing nonprofits, state and local governments, regional commissions, and the private sector, the 2021 GBWS will offer attendees opportunities to learn about infrastructure, advocacy, safety, outreach, law, and emerging trends. Georgia Bikes will also facilitate a discussion on the needs and priorities of our stakeholders in the state, including attendees and sponsors.

Sponsoring the Georgia Bike-Walk Summit will give your business or organization an opportunity to gain exposure to a large number of cyclists and pedestrians, advocates, government agencies, and others involved in the bicycling and walking communities.

Georgia Bikes is a recognized 501(c)3 nonprofit organization, so your sponsorship donation is tax-deductible to the fullest extent allowed by law.

Consider sponsoring to support bicycling and walking in Georgia!
